

YOUR PATIENT CENTERED MEDICAL HOME

Patient Centered Medical Home (PCMH) is a team-based health care delivery model that provides comprehensive and continuous medical care with the goal of improving the health of all patients. By giving us your complete medical information we are able to provide comprehensive care and coordinate your care across different providers and settings.

The CCC&TI Health Center believes that medicine is an art as well as a science. We are committed to delivering quality healthcare to the whole person. We partner with our patients and their families to provide a medical home that is respectful, compassionate, accessible and comprehensive.

Transferring Your Medical Records

In order to transfer your medical records from any other provider or specialist, you will need to use an **Authorization to Request Medical Records** form. If you need assistance with this process, contact (828) 726-2733.

OFFICE HOURS:
Monday-Thursday 8:30am-4pm
Friday 8:30am-12pm
MEDICAL EMERGENCIES: 911

SCHEDULING: You may request an appointment through our secure patient portal or you may call (828) 726-2733. **Same day appointments and walk-ins** are available but we can better serve you by calling in advance.

ADVICE DURING OFFICE HOURS: For non-urgent medical needs please contact us by secure email messaging through our patient portal at www.westcaldwellhc.org/patient-portal/ or you may call (828) 726-2733. For non-urgent medical needs, you will be asked to leave a message. Every effort is made to respond to calls by the end of the business day, messages left after 3pm will be answered on the next business day.

AFTER HOURS CARE: For urgent medical needs, there is always a physician on call when the office is closed. Call (828) 754-6850 Ext. 8 to get the answering service, who will contact the on-call physician.

Your Medical Home

Welcome to our practice! We are proud to serve as your patient-centered medical home. At the CCCTI Health Center, we work in care teams consisting of nurse practitioners, mental health providers, and medical assistants in order to give you the best care we can. Our medical records staff, schedulers and office staff are part of the care team. On your first visit you will be assigned to a Primary Care Provider (PCP). Whenever possible, your appointments will be with your PCP, and if not, with another member of your care team. The members of your care team are available to help you.

Care Coordination

For our patients with complex health needs, we provide care coordination. Care coordination provides you with extra support to be sure you get the care you need when you need it. Our care coordinators may call you to assist you with your health care needs.

Preparing for your Appointment

Plan to arrive 15 minutes before your scheduled appointment time.

For each appointment, please bring:

- Your insurance card
- Co-pay and deductible
- Prescription and Non-prescription Medication bottles
- A description of the problem you are having, how long you have had it, and how it has affected you
- A list of questions you would like to discuss with your health care team

Please let us know if you have been to a hospital, an Emergency Department or to another doctor since your last visit to us. Please give any outside doctor or facility that you visit our contact information and have them forward your visit notes to us.

Payment Information

We accept most insurance plans. However, patients are seen regardless of insurance status. We offer a \$50 copay to self-pay patients if full balance is paid at the time of service. We also offer a sliding scale fee program to patients that qualify. If you are uninsured and would like health insurance information please go to:

www.healthcare.gov.

We have a Certified Application Counselor available to assist you with an application.
